TASTING NOTES

Glittering gold coat with straw-yellow colour with greenish light hues. Fruity and floral to the nose, aromas of white fruit (apple, peach), captivating and varietal. Complex and well constructed in the mouth, great purity of aromas, beautiful mineral definition over a discrete "boisé", persistent finish.

ADVICE OF THE SOMMERLIER

Serve between 10° and 12°C

Seafood, fish in sauce, white meat, local cheese ...
