TASTING NOTES

Glittering yellow coat flooded with fine fruits particularly permanent and greenish. In the nose it stands out because of its clear fruity character, citric and slightly flowery notes. White fruits such as apple, peach, apricot. In the mouth: fresh, balanced and complex, bri-oché notes, prolonged and intense in species.

ADVICE OF THE SOMMELIER

Serve between 8° and 10°C

Ideal to go with seafood and fish. It matches wonderfully white meat, fine cheese and pastry desserts.
