VINTAGE: 2009 Crianza

GRAPE VARIETY: Tempranillo 80% and Garnacha 20%.

ALCOHOL CONTENT: 14 % vol.

CAPACITY: 75cl

TASTING NOTES

Cherry red coat, deep, clean and bright. The nose is intense and complex. Aromas of red, ripe fruits with vanilla in the beginning, species and menthol. The mouth is structured, long, fresh and elegant, excellent aromatic complexity over notes of blackberry and licorice, strawberry candy stick, intense and long finish still dominated by the fruit.

ADVICE OF THE SOMMELIER

Serve at 17°C. Decant in a jug half an hour before serving. It matches perfectly chickpea stew, meat stew, game, lamb and fish in all its varieties. The evolution of this wine is going to be positive for several years, but we have to take into account that with the passing of time the wine will go on evolving, so it will progressively lose fruit and will gain complexity, as long as its bouquet is increasing. Thus, depending on our taste, we can already taste it or wait for the bouquet to increase.
