TASTING NOTES

Clean and bright, ruby red colour, little colour development, with a high coat. High aromatic intensity in the nose and high complexity, overlooking the bouquet and the roasted, without taking hold of the black fruit completely. The mouth is wide, silky, round, very long and persistent, with very well polished tannin. The roasted and black fruit appear again in the retro nasal, leaving a pleasant light hint of roasted chestnuts.

THE ADVICE OF THE SOMMELIER

We recommend the consumption of Doña Susa Rioja Limited Edition at 18°C with strong and fatty dishes, such as cured cheese, red meat and game.

Regarding its life span, we can predict a very positive evolution in time, taking always into account that the wine is ready for its immediate consumption and that it is not necessary to wait for a special occasion to open a great wine.
